**NOTICE OF REMOVAL**

Defendants DaimlerChrysler Corporation, Ford Motor Company and General Motors Corporation (the "automobile manufacturers") hereby give notice of the removal to the United States District Court for the Eastern District of Pennsylvania of the claims which have been asserted against them in the action captioned Ronald C. Snyder and Lorraine Snyder, husband and wife v. AC&S, Inc., et al. now pending in the Court of Common Pleas of Northampton County, at No. C0048AB2002000354. This Notice of Removal is filed pursuant to 28 U.S.C. § 1452(a), and as grounds for removal the automobile manufacturers state the following:

1.      The action of which the removed claims are a part was commenced in the Court of Common Pleas of Northampton County.
2.      The removed claims are those for personal injury or wrongful death asserted against the automobile manufacturers on the basis of alleged exposure to certain of their asbestos-containing products, including brakes and other automotive parts, manufactured for the automobile

manufacturers by Federal-Mogul Global, Inc., or companies that it purchased, one or more of which is a co-defendant of the automobile manufacturers.

3. On October 1, 2001 Federal-Mogul Global, Inc. filed a voluntary petition for protection under Chapter 11 of the United States Bankruptcy Code, commencing bankruptcy case number 01-10578 (the "Federal-Mogul Bankruptcy Case") currently pending in the United States Bankruptcy Court for the District of Delaware.

4. The removed claims may be removed to this Court pursuant to 28 U.S.C. § 1452(a): (i) the removed claims are asserted in a civil action not exempt from removal; and (ii) the Court has jurisdiction of the removed claims under 28 U.S.C. § 1334. All claims asserted against the Removing Defendants are related to the Federal-Mogul Bankruptcy Case, and the continued prosecution, outcome at trial or other resolution of the claims will have an effect on the administration of the Federal-Mogul Bankruptcy Case.

5. Removal to this Court is timely pursuant to Federal Rule of Bankruptcy Procedure 9027(a)(3) in that the Federal-Mogul Bankruptcy Case was pending when the removed claims were asserted on or after October 1, 2001 and in that this notice has been filed within 30 days of receipt by one or all of the automobile manufacturers of a copy of the initial pleading setting forth the removed claims.

6. Upon removal, the proceedings with respect to the removed claims are non-core. The automobile manufacturers do not consent to entry of a final order or judgment by the bankruptcy judge to the extent the bankruptcy court is authorized to hear or determine such claims consistent with 28 U.S.C. § 157(b)(5).

7. The purpose of removal is to facilitate transfer of the removed claims to the United States District Court for the District of Delaware, the district court presiding over the Federal-Mogul Bankruptcy Case, to resolve on a consolidated basis the common threshold scientific issues concerning whether brakes and other automotive parts cause disease. *See, e.g., In re Dow Corning Corp.*, 1995 W.L. 495978, at \*2 (Bankr. E.D. Mich. Aug. 9, 1995) (personal injury tort claims transferred to bankruptcy court pursuant to 28 U.S.C. § 157(b)(5) to resolve threshold scientific issues concerning whether silicone breast implants caused disease after removal to federal court pursuant to 28 U.S.C. § 1452(a)).

8. On November 20, 2001, the automobile manufacturers filed in the Federal-Mogul Bankruptcy Case a motion pursuant to 28 U.S.C. § 157(b)(5) to transfer this and all other claims related to brakes and automotive parts for consolidated resolution of the threshold scientific issues concerning whether brakes and other automotive parts cause disease.

9. On December 10, 2001 the Honorable Alfred M. Wolin issued the attached Order provisionally transferring pursuant to 28 U.S.C. § 157(b)(5) the claims asserted against the automobile manufacturers to the United States District Court for the District of Delaware.

10. On January 3, 2002, Judge Wolin issued a letter opinion and order reiterating that all asbestos friction claims against the automobile manufacturers pending in federal courts as of December 10 had been transferred, and ordering any claims removed after December 10 transferred as well. A copy of the Order and Opinion are attached to this Notice.

11. On February 8, 2002, the Honorable Alfred M. Wolin denied the "Motions to Transfer the 'Friction Claims'" and simultaneously remanded the friction products claims. Attached hereto is a copy of said Order.

12. However, on February 11, 2002, the United States Court of Appeals for the Third Circuit granted a Temporary Stay of Judge Wolin's February 8, 2002 Court Order so that the matter could be considered by a three-judge panel of that court. Attached hereto is a copy of said Order.

13. The Removing Defendants file this Notice of Removal to adequately protect the interests of Removing Defendants and to facilitate transfer of these claims to the United States District Court for the District of Delaware pursuant to Judge Wolin's provisional transfer order.

14. The automobile manufacturers will comply with 28 U.S.C. § 1446(d) by promptly giving notice of the filing of this Notice of Removal to all adverse parties to the action pending in the state court and filing a copy of this Notice of Removal with the prothonotary of the Court of Common Pleas of Northampton County.

Respectfully submitted,

IN RE: Federal-Mogal Global, Inc.

PRESENT: Becker, Chief Judge

ORDER

The following briefing schedule is hereby established in these consolidated appeals:

April 8, 2002: Appellants' joint opening brief on the merits of the district court's decision (14,000 words);

April 26, 2002: Appellees' joint response brief on the merits of the district court's decision and appellees' objections to appellate jurisdiction (21,000 words);

May 10, 2002: Appellants' joint reply brief on the merits of the district court's decision and response on appellate jurisdiction (21,000 words);

May 16, 2002: Appellees' joint reply brief on appellate jurisdiction (7,000 words).

It is expected that the various appellants and appellees will join in these joint briefs to the greatest extent practicable. However, an individual appellant or appellee may file a separate brief addressing discrete issues particular to that party, as long as those issues are not merely repetitive of the arguments advanced in the joint brief. Such separate briefs are due on the same date as the joint brief addressing the relevant issues. The foregoing word limitations are established for the joint briefs without prejudice to motions for extension of those limitations if necessary to respond to the separate submissions.

A brief will be considered timely filed if it is deposited with an express mail service on the due date for overnight delivery on the next business day. In addition, all briefs shall be served on all parties by e-mail by 5:00 p.m. Eastern time on the due date. A list of e-mail addresses is attached to this order.

Appellants' rebuttal: 20 minutes

The parties will determine an appropriate allocation of argument time for various counsel within these aggregate allotted times.

The temporary stay entered by this Court on February 11, 2002, as clarified by the order of March 19, 2002, will remain in effect until further order of the merits panel.
